A BILL FOR

An Act to amend section three hundred ninety point twelve (390.12),
Code 1950, relating to use of parking meter funds in cities
under ten thousand (10,000) population.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section three hundred ninety point twelve
- 2 (390.12), Code 1950, is amended by inserting in line nineteen
- 3 (19) after the word “bonds” the words “or for retiring revenue
- 4 bonds issued for street maintenance and repair,”.

EXPLANATION OF H. F. 375

The purpose of this bill is to provide for use of parking meter funds, in smaller cities, for street maintenance and repair. The present statutory purposes for which such funds may be used are insufficient to absorb the amounts collected. There is, therefore, in the smaller cities, a fund which is needed but cannot be used except in prescribed ways. As a result, many small communities cannot use the funds where most needed.
